Dear Arkadiy:

On behalf of all Manitobans, it is my pleasure to congratulate you and your team as the 2016-2017 Bronze Medallist Canadian Championships and for receiving the Sport Manitoba Order of Sport Excellence for your performance!

Your success is the result of considerable time, effort and dedication on your part. It is a reminder for all Manitobans that the path to success seldom comes easy, and almost always involves hard work. You should take pride in the example you have set for others.

Once again, congratulations on your success. It is my hope that your future will include even greater accomplishments.

All the best,
